

General Data Protection Regulation Compliance Statement

Ecorys UK recognises that the correct and lawful treatment of Personal Data will maintain confidence in our organisation and will provide for successful business operations. Protecting the confidentiality and integrity of Personal Data is a critical responsibility that we take seriously and therefore we comply with all aspects of the GDPR at all times.

All processing of personal data is carried out in accordance with Ecorys' Privacy Standard. The Managing Director and Board of Ecorys UK is responsible for ensuring all company personnel comply with Ecorys' Privacy Standards and implement appropriate practices, processes, controls and training to ensure compliance. The Data Protection Officer is responsible for overseeing Ecorys' Privacy Standards and, as applicable, developing related policies. That post is held by Glen Williams, glen.williams@ecorys.com.

Our policies and organisational and technical procedures for protecting data are informed by guidance provided by the Information Commissioner's Office (ICO), as well as technical guidance from relevant professional membership bodies such as the Market Research Society. Our policies and procedures are reviewed regularly to ensure good practice.

Ecorys UK is registered as a data controller with the Information Commissioner's Office, registration number Z5564761. Notification is a statutory requirement on organisations that process personal information. Our notification to the ICO provides detail on the type of information we hold and the purposes for which it is used.
